Mae Sam Binkley yn cyflwyno ei lyfr newydd,
'Against White Interiority' (Palgrave Macmillan,
2023).

Mae'r llyfr yn archwilio, yn ei eiriau ef, y 'new radical sensibility', a'r mathau o hunanymwybyddiaeth y mae'r teimladrwydd hwn yn eu cyflwyno i bobl sy'n uniaethu â bod yn wyn. Bydd Edgar Cabanas ac Anja Röcke yn cynnig atebion, ac yna ceir sgwrs agored â'r gynulleidfa.
